

INVERELL MEALS ON WHEELS

Providing delicious, home cooked meals to Inverell residents for over 60 years, Meals on Wheels has now merged with Inverell Community Support. This will allow both organisations to continue providing the quality care and assistance that we are so well known for.

Meals on Wheels provides a variety of freshly cooked meals daily. A range of healthy, nutritious food options are available and all clients' dietary requirements can be catered for.

Call the team on 6722 1951 to discuss your meal requirements.

Supported by the Australian Government Department of Health.
